LEADERSHIP QUALITIES

Please provide specific examples of when your nominee demonstrated the following Leadership Qualities. Supply enough details and sufficient information to provide insights into the nominee's attributes (additional writing space is available on the back page).

****PLEASE NOTE:** You are not required to respond to every section.
Only complete the sections that apply to your nominee.**

1. Their work aligns with the PWT Core Values; or the PWT Mission; or the PWT Vision.

2. They see the big picture. They recognize, embrace, and promote the differences between the Lines, Divisions, and Branches; but also see where collaboration yields great value for PWT.

3. They set realistic priorities. They deliver their work on time and on budget. They accomplish objectives and meet targets.

4. They look for creative ways to improve and innovate, and encourage their team to do the same.

5. They are self-aware and authentic. They manage around and through setbacks and mistakes.

6. They collaborate, build teams, and develop agreements on accountability. They encourage, inspire, and help get things done.

7. They use clear, concise, consistent communications that connect with the intended audience, and that provide compelling reasons to care about accomplishing objectives.

8. They work well and engage with all types of personalities, at all levels. They support and work within the PWT, Line, and Branch organizational frameworks.

9. They are not limited by their title or level of authority, but proactively make wise decisions and find ways to move the work forward.
